

At the Belfast Community Co-op, we are committed to accessibility, inclusivity, and serving our community.

The CORE (*Cooperative Ownership Reaching Everyone*) program is designed to make local, organic, and wholesome foods more affordable to qualifying members of our community.

Generally, **CORE is available for those who currently receive economic assistance through EBT/SNAP, TANF, or HEAP.** *If you receive another form of assistance, please reach out. We offer rolling acceptance for new participants and annual re-enrollment verification for current and past participants. Find more info on the other side.*

BELFAST COMMUNITY CO-OP

Everyone Welcome | Open Daily 8am-8pm

The CORE (*Cooperative Ownership Reaching Everyone*) program is designed to make local, organic, and wholesome foods more affordable to qualifying members of our community.

CORE is available for those who currently receive economic assistance through EBT/SNAP, TANF, or HEAP. *If you receive another form of assistance, please reach out. We offer rolling acceptance for new participants and annual re-enrollment verification for current and past participants.*

Upon acceptance into the CORE program, current Co-op owners and prospective owners who qualify for the program receive an extended equity payment schedule and a **10% discount on most of our products** (*excluding alcohol, brewing supplies, and periodicals*). *This discount will be applied in addition to Co+op Deals sales, but cannot be combined with any other discounts.*

For questions or more details about CORE:
contact **ownership@belfast.coop**,
visit us in-store, or visit our website @
